

The Myths Limited Edition Boxset: Signed Edition: The Penelopiad, Weight, A Short History of Myth, A Word or 2 About Myths

The Myths is a new series already hailed as The most ambitious simultaneous worldwide publication ever undertaken - The Times. Each book in the series is a retelling of a myth, by an internationally renowned author. The first 3 titles to be published in the series are by Margaret Atwood (The Penelopiad: The Myth of Penelope and Odysseus), Jeanette Winterson (Weight: The Myth of Atlas and Heracles), and Karen Armstrong (A Short History of Myth). This limited run boxset includes signed hardback editions of each title, plus an exclusive introductory note to the series, A Word or 2 About Myths, by Philip Pullman (also signed). Set to run for many years to come (the 100th myth in this series will be published in 2038), this boxset is an essential collectors item or a sumptuous gift.
