

A Gathering of Spies

A beautiful Nazi spy and an enigmatic British double agent match wits in this gripping World War II thriller. Gorgeous, cunning, and lethal, Katarina Heinrich is America's worst nightmare. For years, the German spy has been deep undercover, posing as the happy wife of a Princeton scientist. Now she is rushing home with key intelligence pertaining to the atomic bomb. If she reaches her destination, the war will be lost. To stop her, the Allies turn to Professor Harry Winterbotham, an MI5 agent whose brilliance is matched only by his inscrutability. As Winterbotham hatches his own secret plan with the potential to deliver the world's greatest weapon into the hands of the Nazis, the two spies play a deadly game of cat and mouse across the United States and Europe.
