

# A Heros Death

From industry legend Mark Texeira (Ghost Rider, Punisher, Moon Knight) and writer Ricardo Sanchez (Resident Evil, Legends of the Dark Knight, Teen Titans GO!) comes a story about our collective need for hope, optimism and heroes. The Hero died 20 years ago but her death still haunts one young reporter. Now, on the anniversary of her death, the reporter digs in to find out the truth about what really happened. This special edition from IDW collects the fully painted graphic novel by Texeira and Sanchez, Kill your Heroes, an illustrated short story based on the character, an art gallery, and the original short story the graphic novel was based on.
