

The Warden (Oxford Worlds Classics)

The book centers on the character of Mr. Harding, a clergyman of great personal integrity, whose charitable income far exceeds the purpose for which it was intended. Young John Bold turns his reforming zeal to exposing what he considers to be an abuse of privilege, despite being in love with Mr. Hardings daughter Eleanor. The novel was highly topical as a case regarding the misapplication of church funds was the scandalous subject of contemporary debate. But Trollope uses this specific case to explore and illuminate the universal complexities of human motivation and social morality. This edition includes an introduction and notes by David Skilton and illustrations by Edward Ardizzone. About the Series: For over 100 years Oxford Worlds Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxfords commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
