

## Rival (Fall Away)

Shes back. For the two years shes been away at boarding school, and there was no word from her. Back when we lived in the same house, she used to cut me down during the day and then leave her door open for me at night. I was stupid then, but now Im ready to beat her at her own game. Im back. Two years and I can tell he still wants me, even if he acts like hes better than me. But I wont be scared away. Or pushed down. Ill call his bluff and fight back. Thats what he wants, right? As long as I keep my guard up, hell never know how much he affects me.
