

Observada (42243) (Spanish Edition)

Cuando Catherine Ravenscroft encuentra en su mesilla de noche un libro titulado El perfecto desconocido y lo lee, revive con pavor un día fatidico que decidió olvidar para siempre. El libro revela detalles inconfundibles sobre lo que le ocurrió en una playa del sur de España veinte años atrás, su secreto mejor guardado, del que ni su marido ni su hijo saben nada. Pero lo más inquietante es que, a juzgar por el final de la novela, el autor no se detendrá ante nada hasta desenmascararla e imponer su cruel venganza. A partir de entonces, la vida de Catherine, una respetada profesional, se convierte en una pesadilla. Ahora que el pasado le exige pasar cuentas, su única esperanza es afrontar lo que ocurrió, aunque revelar esa verdad pondría en peligro lo que más valora. / What if you realized the book you were reading was all about you?
