

Catching Air: A Novel

From the internationally bestselling author of four books, including *The Opposite of Me*, a vibrant, compulsively readable novel about two married couples who pursue a dream to open a bed-and-breakfast in small-town Vermont. In her previous works including *The Best of Us*, rising star (*Library Journal*) Sarah Pekkanen captivated readers by penning refreshingly introspective, sharply realistic, and tenderly humorous novels (*Booklist*) that had readers flying through the pages (*Hoda Kotb, Today show*). Now, in *Catching Air*, Pekkanen turns an unflinching eye on the tangled relationships of two pairs of thirty-somethings. A chance to run a B&B in snowy, remote Vermont is an offer Kira Danner can't resist after six soul-crushing years of working as a lawyer in Florida. As Kira and her husband, Peter, step into a brand new life, she quells her fears about living with the B&B's co-owners: Peter's sexy, irresponsible brother Rand, and Rand's wife, Alyssa who is essentially a stranger. For her part, Alyssa sees taking over the B&B as the latest in a string of adventures. Plus, a quiet place might help her recover from the news that she can't bear children. But the idyllic town proves to be anything but serene: Within weeks, the sisters-in-law are scrambling to prepare for their first big booking—a winter wedding—and soon a shy, mysterious woman comes to work for them. Dawn Zukoski is hiding something; that much is clear. But what the sisters-in-law don't realize is that Dawn is also hiding from someone. Relatable and dynamic, *Catching Air* delves deeply into the vital relationships that give shape to women's lives.
