

Christine Falls: A Novel (Quirke)

The hero of Christine Falls, Quirke, is a surly pathologist living in 1950s Dublin. One night, after having a few drinks at a party, he returns to the morgue to find his brother-in-law tampering with the records on a young woman's corpse. The next morning, when his hangover has worn off, Quirke reluctantly begins looking into the woman's history. He discovers a plot that spans two continents, implicates the Catholic Church, and may just involve members of his own family. He is warned--first subtly, then with violence--to lay off, but Quirke is a stubborn man. The first novel in the Quirke series brings all the vividness and psychological insight of John Banville's writing to the dark, menacing atmosphere of a first-class thriller.

In the Pathology Department it was always night. This was one of the things Quirke liked about his job: it was restful, cosy, one might almost say, down in these dark, narrow rooms. Benjamin Black, the pen name of acclaimed novelist John Banville, is the author of Christine Falls and The Silver Swan. Christine Falls was nominated for the Booker Prize.
