

# How to Make Collages for Your Collections of Books, Music, and More

So, you want to create collages for your books, music, movies, games, etc.. Collages that are highly customizable but also easy to create for free. Collages that include everything in your collection lists but do not need any manual copying and pasting. Collages that are digital and interactive - with webpages links embedded in images - but also downloadable for printing. The answer is described here in this book. You will learn from this book how to generate and customize collages with product/book images on Amazon and Goodreads lists and apply the same easy procedures to other collages you'd like to create.
