

Bella Wallis: A Victorian Mystery Quartet (Bella Wallis Mysteries)

Bella Wallis is a glamorous widow with a secret identity: in an office buried deep within the dodgy backstreets of Victorian London, she writes sensationalist novels exposing the scoundrels that litter high society under the pen name Henry Ellis Margam. With dodgy deals, scheming aristocrats and stolen kisses behind closed doors, prize-winning author Brian Thompson conjures up an irresistible quartet filled top to toe with seedy Dickensian glamour. We start with *The Widows Secret*, an effervescent romp to Paris on the trail of the owner of a mysterious cigar case; then *The Sailors Ransom*, a tale of pearls and swine, set on the Cornish coast and the high seas; and *The Players Curse*, where kidnap, cricket and cross-dressing coincide in a riotous mystery. We end with the previously unpublished *The Whole Story*, in which Bella is caught up in an anarchist bomb attack at her favourite restaurant, *Fracatellis on the Strand*... and only just survives to tell the tale.

Bella Wallis: A Victorian Mystery Quartet (Bella Wallis Mysteries), Thompson, Br .
