

Damascus: Taste of a City

Damascus was Rafik Schamis home for 25 years before he went into exile, and he never forgot it. This Pearl of the Orient is still the city he loves more than any other. Thirty years later, and now a prize-winning novelist, Schami leapt at the chance to write a culinary-cultural book on his former home town. There were, however, two seemingly insurmountable barriers - time and geography. So Schamis sister Marie wandered through Damascus for a year on his behalf, relaying curiosities, sounds, personalities, tastes and the smells of the Old City, while Schami wrote them down, relishing the diverse mark left on Damascene cuisine by its multifarious history. Rafik Schami is the acclaimed author of *The Dark Side of Love*.
