

## Doctor Jivago (Romanian Edition)

Publicat pentru prima data in Italia, in 1957, in plina criza mondiala, romanul Doctor Jivago e povestea vietii si a iubirilor unui medic in perioada Revolutiei ruse. Parasind Moscova pentru linistea Muntilor Urali, unde spera sa-si puna familia la adăpost, Jivago se trezeste in plin conflict intre albi si rosii. Dragostea lui pentru frumoasa si tandra Lara se consuma pe fundalul cruzimii si al talazurilor revolutiei, o reprezentare surprinzătoare a unor vremuri memorabile. Romanul a fost ecranizat in 1965 de David Lean, cu Omar Sharif si Julie Christie in rolurile principale, iar pelicula a fost distinsa cu cinci premii Oscar, cinci Globuri de Aur si doua premii Grammy si e inclusa pe lista celor mai bune 100 de filme ale tuturor timpurilor. Adaptarea pentru televiziune din 2002, in regia lui Giacomo Campiotti, cu Hans Matheson si Keira Knightley, a obtinut trei nominalizari la premiile BAFTA.
