

## Egret Cove

At sixty-something years old Angela Dunn has given up on finding much excitement in her life. She's got her half-blind dog, Gizmo, a crummy retail job, a tiny house, and no close friends or family to call on in her Kokomo, Indiana hometown. But when her brother, Tony, calls from Florida with a house-sitting offer, Angela has to gear up all her courage to accept. What about the bugs? The alligators? Her fear of hurricanes? Not knowing what else to do, she sells her few belongings, loads the dog into her SUV, and soon, there she is: living in a cute-as-a-bug house trailer, being romanced by a handsome, gray-haired Italian, making friends with wild women, and trying very hard to let go of the past and find the joy in life once more.
