

Shades of Darkness, Shades of Grace

Even the strongest of families aren't immune to malice, betrayal, and deceit. Wealthy and loving, the Pierson family is delighted to celebrate the marriage of handsome Paul Pierson and his wife, Pamela. Everyone rejoices that Paul has finally recovered from the tragic loss of his beloved first wife, and look forward to Paul and Pamela's new life together. But while Paul's family longs for his happiness, they are soon expressing concern about his beautiful bride. As the strain between siblings and spouses worsens, the Piersons discover that neither their money nor their considerable influence can keep the family safe from one woman's malicious intent. When the true nature of this family member is revealed, each of the Piersons are confronted with the quandary of human conduct and moral responsibility. *Shades of Darkness, Shades of Grace* is a compelling story of the classic struggle between good and evil, and the violent undercurrent running beneath the illusory serenity of a close-knit Midwestern family. *Shades of Darkness, Shades of Grace* explores the tightrope families walk when one of their own is constantly under attack, and they're asked to retreat. An engrossing drama of frustration, human conduct, and murder. Robin Van Auken, author of *Play Ball! The Story of Little League Baseball*
