

Have Space Suit - Will Travel (Heinleins Juveniles Book 12)

Kip Russell wants nothing more than to go to the moon. But after entering a contest to help realize his dream, he is thrust into a space adventure he could never have imagined with the most unlikely of friends and enemies. A favorite among Heinlein readers. Here is superior science fiction. - The New York Times Not only America's premier writer of speculative fiction, but the greatest writer of such fiction in the world. - Stephen King There is no other writer whose work has exhilarated me as often and to such an extent as Heinlein. - Dean Koontz One of the most influential writers in American Literature. - The New York Times Book Review Heinlein wears imagination as though it were his private suit of clothes. - The New York Times Heinlein has the ability to see technologies just around the bend. That, combined with his outstanding skill as a writer and engineer-inventor, produces books that are often years ahead of their time. - The Philadelphia Inquirer One of the grand masters of science fiction. - The Wall Street Journal Robert A. Heinlein (1907-1988), often called the Science Fiction Grand Master, was the author of such ground-breaking novels as STARSHIP TROOPERS, RED PLANET, STRANGER IN A STRANGE LAND and THE MOON IS A HARSH MISTRESS. He is generally considered the greatest and most influential science fiction writer of the twentieth century.
