

# Gentleman Death

Meet novelist Robert Fraser as he comes face to face with creativity, his mortality, and the deaths of his father and brother. Set mainly in Toronto, the novel also takes us to London, Scotland, Germany, and New York as we follow the escapades of two of Frasers fictional characters. There is Simpson, called into service as an anonymous sperm donor, and Dunbar, an enigmatic tourist in Berlin just before the Chernobyl disaster, where he meets the captivating Lena, with whom he begins to sense an almost forgotten freedom and elation. But at the centre of Gentleman Death is Robert Frasers own compelling story. Gibson juxtaposes reality and fiction in this compassionate, sometimes outrageous, often very funny exploration of the absurdities and alarms of aging, the nature of fiction itself, and the maturity that grows from reconciliation.

Two cricket journalists set off on a journey to the heart of the game they love, only to stumble upon one of the biggest sporting scandals ever. This is a film about The latest Tweets from Death of a Gentleman (@DOAGfilm). A genuine sporting scandal.
