

Groucho Marx, Private Eye: A Mystery Featuring Private Eye Groucho Marx (Mysteries Featuring Groucho Marx)

Groucho Marx made the transition from screen to paper in Ron Goulart's widely acclaimed first novel, *Groucho Marx, Master Detective*, where he debuted as a radio star-cum-private eye. Groucho and Frank are enjoying their latest costar, singing child prodigy Polly Pilgrim, a spoiled ingenue. When a prominent Beverly Hills plastic surgeon is found dead in his palatial home, and Polly's mother, the faded actress Frances London, is accused of his murder, Polly requests for Groucho and Frank to help prove her mother's innocence, which surprises them. She is convinced that Frances has been framed, and despite the mounting evidence against the washed-up performer, the pair takes on the case.
