

2 Days 'Til Sundae (2 Til Series Book 1)

At thirty-four, Catherine Hemmings has it all: a NYC walk-up that's relatively free of crime and steps away from a great slice of pizza, credit card balances with the full closet and finance charges to match, still-happily-married parents with a screw loose, a younger brother with more years of marriage experience under his belt than she has continuous dating time, and friends hell-bent on setting her up with anyone but her type of guy. What more could a girl want? The answer... a sundae. Catherine's parents are cleaning out her childhood home and moving to Wyoming on a lark. To make matters worse, many of the treasures she saved over the years are MIA. When she stumbles upon one of her favorite old toys, not in the attic where it's supposed to be, but in an online auction, she declares all-out war, bidding war only to lose in the final seconds. But Cat isn't ready to let go. Her mission is simple: a well-planned, perfectly executed, two-day trip to reclaim her property from the winning bidder. What could possibly go wrong? Follow Catherine on a chick-lit style comic romp to the wilds of Minnesota, where she ends up tailing Joel Fynn Trager (a man she wants to kick, bite, and lick all at the same time). She resorts to lies, bribes, and criminal activity to get what she wants, only to find herself baring it all along the way: the good, the bad, and the truly ridiculous. Maybe her mother is right when she says, Life is real, not ideal. Her mother also says that one should always pack an extra change of clothes; perhaps she should have paid more attention when she was growing up. Now, with the help of her friends and man's best friend, Cat might get what she's after, or she might just get more than she bargained for... ALSO AVAILABLE IN PAPERBACK: 349pgs
