

# It Had to Be You

Life after Deborah reaffirms Nobbs as the best writer of comedy and observer of the nuances of human nature that there is today. One man, five very different women. James Hollingshurst is a man shaped by those who surround him. And in James's case, it's some very different women. Be it his trusty wife Deborah, his hapless PA Marcia or his ex-girlfriend Jane. And there's one woman in James's life who looks set to upset the status quo. But a tragic accident is about to shake the bedrock of life as James knows it. An event sets a train in motion, which will challenge everything he's ever known and everyone he's ever loved. It will also bring his beloved daughter, Charlotte, who he has not seen for fifteen years, tantalisingly close to him.
