

A Death in the Family (Charmian Daniels Mysteries)

Windsor may look picturesque and old-fashioned, but policewoman Charmian Daniels knows all too well that the charming village is not immune to the realities of modern life and crime, most recently evidenced by the disappearance of eight-year-old Sarah Holt. Charmian's worst fears are exacerbated by the discovery of a young male corpse, lying next to the skeleton of a baby buried nearly a century before. Could the two deaths and Sarah's disappearance be somehow related? As Charmian races toward the truth, a killer races to stop her -- and to keep an ancient secret dead and buried.
