

## Kill Your Darlings: A Novel

Gregory Keays is a writer whose brilliant future is behind him. Corroded with envy, Gregory watches as his contemporaries produce better work and live happier lives while he teaches community college composition classes and compiles books about other books. One day, Gregory is convinced, the world will recognize his talents. In the meantime, his marriage to a new-age feng shui artist has become cold and distant, and his relationship with his reclusive teen-age son is in free-fall. But when a brilliant student enters his life, Gregory is offered one last, glorious chance to save his career. Soon, however, Gregory's Faustian pact with success unravels around him, and he must turn to darker, more duplicitous means to secure his fame. Set in the dangerous world where real life and literary ambition collide, *Kill Your Darlings* is an unforgettable novel of ego and delusion, villainy and the betrayal of love.
