Mama Rubys known for taking things that arent rightfully hers, like her best friends stillborn infant, who she brought back to life and christened Maureen. Shes also rumored to have done away with her husband. Some fear her, others try their best to avoid her. But Mama Ruby doesnt pay them any mind. But growing up with a mama like Ruby is enough to make any half-sane girl wish for something--anything--else. And when Maureen gets the chance to explore the real world, you can bet shes going to take it. . .and run like hell. There is an electricity and vitality to this novel that makes it unique. Mary Monroe is a remarkable talent. --Chicago Sun-Times
