

Kill All Parents #1

KILL ALL PARENTS is the story of an authoritarian governments secret program to save mankind by eliminating villains: by insuring that every child born with a super power becomes a super hero. Based on the lifes work of a brilliant but demented scientist and futurist, the method is effective but fantastically cruel, unnatural, and ultimately deeply flawed. We follow the last of the strong heroes, the remaining brave, who fight for not only their future and the lives of their families, but that of all mankind.
