

Waiting For Doggo

No-one ever called Dan a pushover. But then no-one ever called him fast-track either. He likes driving slowly, playing Sudoku on his iPhone, swapping one scruffy jumper for another. Hes been with Clara for four years and hes been perfectly happy; but now shes left him, leaving nothing but a long letter filled with incriminations and a small, white, almost hairless dog, named Doggo. So now Dan is single, a man without any kind of partner whether working or in love. Hes just one reluctant dog owner. Find a new home for him, thats the plan. Come on...everyone knows the old adage about the best laid plans and besides, Doggo is one special kind of a four legged friend...and an inspiration.
