

ROMANCE: Billionaire Romance: All Yours (Sexy and Funny Romantic Comedy, Mature Young Adult Romance) (The Billionaire Next Door Book 1)

Jason Powers came into Jacksonville, and Sophias life, without any warning, but now Sophia must make a decision that will either cost her the respect of her family or her heart... If you enjoy books like Bared to You or Fifty Shades of Grey, you will enjoy this sexy and funny story! Working a full-time job as a veterinarian and a part-time job as a dog-walker to help her mother during tough economic times, Sophia cant help but lament the fact that she has no time for a social life. While doing some dog walking to supplement her income, Sophia gets tangled up with a charming man who is not only extremely sexy, but also really into Sophia. Theres just one problem: hes Jason Powers, the billionaire and CEO of Powers Corporation, the same corporation that destroyed the communitys economy and took Sophias mothers job. Sophia must make a choice: ignore the man who destroyed her mothers dreams or face him and make him aware of the damage he has caused. No matter what decision she makes, Jasons passion and persistence makes her actions that much more difficult.

Will Sophia side with her familys decision to disown Powers Corp? Or will she follow her heart and find out who Jason Powers, the seductive bachelor billionaire, really is?
