

My Bonus Mom!: Taking the Step Out of Stepmom

In rhythmic verse, *My Bonus Mom!*, shows children of divorced families that a positive attitude can lead to a happy outcome and springs open their hearts and minds to accept their own bonus moms. It captures the mixed emotions that surge through young children as they deal with divorce and adjust to remarriage. The children work through their feelings of dismay, fear and anger, and grow to love dad's new wife, whom they come to think of as their bonus mom. Twice the attention, twice the love, twice the fun and twice as many birthday presents! What's not to love? Earned Honorable Mention at 2013 Southern California Book Festival!
