

Ningun lugar esta lejos/ Theres No Such Place As Far Away (Spanish Edition)

Spanish Edition of Theres No Such Place As Far Away by Richard Bach. Written with the same elegant simplicity that made Jonathan Livingston Seagull a bestselling phenomenon, Theres No Such Place As Far Away has touched the hearts of thousands of readers since its first publication in 1979. Richard Bachs inspiring, now-classic tale is a profound reminder that miles cannot truly separate us from friends...that those we love are always with us--every moment of the infinite celebration we call life.
