

The Lonely Hearts Club

Love is all you need... or is it? Penny is about to find out in this wonderful debut. Penny is sick of boys and sick of dating. So she vows: no more. It's a personal choice...and, of course, soon everyone wants to know about it. And a few other girls are inspired. A movement is born: The Lonely Hearts Club (named after the band from Sgt. Pepper). Penny is suddenly known for her nondating ways ... which is too bad, because there's this certain boy she can't help but like... .
