

The Fame Factor

Have you got what it takes? Does for the music industry what *The Devil Wears Prada* did for fashion. By day, Zoe Kidd lives a tedious existence, following orders and trying to appease her parents. By night, she's the raucous lead singer of all-girl rock band, *Dirty Money*. For six years, *Dirty Money* has toured the London scene, playing pubs, clubs, shopping centres and the odd public toilet. They're gifted, they're beautiful and they're determined to make it to the top. So when the American hit-maker Louis Castle appears at one of their gigs with talk of record deals and stadium tours, it seems as though their dreams are finally beginning to come true. But fame turns out to be more elusive and divisive than any of the girls could imagine. *The Fame Factor* is a fast-moving story of friendship, resilience and revelation, exposing the darker side to an industry obsessed with the limelight.

Alabama researcher Adam Lankford has studied terrorists and mass shooters and said a desire for fame is driving bigger and bloodier mass - Buy *The Fame Factor* book online at best prices in India on Amazon.in.
