

# Snorkel Hawaii: The Big Island, 2nd Edition

Snorkel Hawaii: The Big Island was the first guidebook exclusively devoted to snorkeling on The Big Island of Hawaii. In this 50% longer expanded second edition, even more sites and maps are included, plus updated tips and excursions. From a colorful cover to 54 site descriptions and 38 detailed maps of snorkeling sites, it draws you into the fascinating underwater world that shouldn't be missed by anyone touring the Big Island. As Dave Barry says: When you finally see what goes on underwater, you realize that you've been missing the whole point of the ocean--it's like going to the circus and staring at the outside of the tent. It is the original in a series of guidebooks that provide more detailed snorkeling information than ever before available for each of the Hawaiian islands in an attractive, easy to carry package. Snorkel Maui and Lanai, and Snorkel Kauai, also available from Amazon.com, provides the same detailed coverage of these beautiful islands.
