

## Prisoner (The Traveler Chronicles Book 2)

Trav Becker is a police detective with multiple lives. Or to be more accurate, he's a police detective who knows that multiple versions of himself live in countless different streams of existence. When another Trav Becker appears bleeding and dying at his front door, Trav quickly realizes that something is dreadfully wrong in the multiverse. Pursued by an FBI profiler who believes (with some justification) that Trav is hiding something, the detective races to save two kidnapped girls while also trying to sort out why he keeps turning up dead. Desperate to preserve his home timeline, Trav is thrust into a hidden war that threatens to destroy the very fabric of reality itself. Dennis Green returns to the universe he created in *Traveler* for another mind-bending thriller.
