

# More Scrambles in the Canadian Rockies

The much-anticipated sequel to the Alan Kane classic *Scrambles in the Canadian Rockies*, this book contains approximately 60 new scrambles in Waterton, Castle-Crown and Kananaskis. The author outlines several different routes to each summit and includes alternate and easier descents. Encompassing a range of levels of difficulty, *More Scrambles in the Canadian Rockies* will appeal to anyone familiar with the first book as well as to hikers looking for a more challenging route to the top of a mountain. In addition to route descriptions, the book contains general information on scrambling, suggested trips for specific conditions, details about each specific area, and single-day, multi-peak trips.
