

Sins of the Mother

Popularity and fame have created a glimmering facade in Shanna OBrians world, but when the spotlight fades, even her success fails to penetrate the darkness of reality. Faced with the heartrending loss of her mother and the man who fashioned her country music career, Shanna must return to the place where her dreams have been both nurtured and shattered, Morningsong Estates. Upon the death of his father, Shannas ex-husband, Joshua Morgan, is now in control of her record label and proclaims to her that he loves her still. This unsettling revelation, coupled with Shannas need to reclaim possession of a life she has too often surrendered to others, leads her down a path of self-discovery that is cruelly threatened by unseen forces. Can the mayhem surrounding Shanna be resolved despite her fledging faith in herself, her God, and the man determined to redeem her trust?
