Alex Hawke is on the hunt... In this exhilarating tale of international suspense, New York Times bestselling author Ted Bells larger-than-life hero (Publishers Weekly), counterterrorist operative Alexander Hawke, must save the United States from a devastating terrorist operation. When a mysterious explosion destroys his research vessel in search of a lost river, Alex Hawke is captured indigenous cannibals and enslaved deep within the Amazonian jungle. Before he escapes, he learns that a fearsome foe is preparing for war - but against whom? When he regains contact with his American and British intelligence counterparts, Alex's worst fears are confirmed. The men in the jungle are highly trained Hezbollah warriors who are planning an unspeakably violent jihad against America. While the United States focuses its efforts on the escalating border disputes with Mexico, Alex vows to put a stop to the deadly plot. Aware that his mission may be the country's only hope, he travels back into the jungle to destroy the lawless mastermind who dares to threaten America's very existence.
