

Stepfathers 30 Day Wisdom Guide

Are you a step-father searching for answers? Are you fed-up with tension, division and being an outcast in your own home? Are you a wife concerned about your husbands frustrations of being a step-father? Are you worried about the problems your children are facing due to adapting to a new dad? At last, a book designed with you in mind! Heres a 30-day wisdom guide that exposes the trials and triumphs of being a step-father. This book clearly articulates the joys and jitters of raising step-children. You will discover answers to your problems, wisdom to produce solutions and applicable steps that will birth change and transform you to reach your potential. This wisdom guide highlights and addresses the issues that step-fathers in blended homes encounter on a daily basis. Begin to enrich your walk as a step-father, as you uncover these powerful, life-changing truths found within this book. The 30 days of wisdom will enable you to easily navigate through the challenges that most blended families face. Jones bridges the gap and brings clarity to step-fathers and their wives, to identify and understand the key role and responsibility of the father, that steps in.
