

# Superman: Ending Battle

Supermans secret identity has only ever been known to a select few. That all changed the day Manchester Black, a gifted telekinetic, uncovered Clark Kents alter-ego, setting in motion one of the hardest days in Supermans life. Looking to avenge his prior defeat at the hands of Superman, Manchester Black amasses an army of super-villains. Over the course of 24 hours, Blacks army of villains systematically attack all those close to Superman until they meet in an epic showdown.
