

Floridas Sandy Beaches: An Access Guide

A succinct and extremely functional guidebook.--Southern LivingFrom Fernandina Beach on the northeast coast to Truman Beach on the tip of Key West and Quietwater Beach on Santa Rosa Sound in the Panhandle, the guide maps routes to and describes more than 300 public beaches around the state. Floridas Sandy Beaches helps the beachgoer match interests and needs with access routes and facilities for greater enjoyment of Floridas diverse beaches. Interspersed among the 26 county listings are articles of general interest on such topics as reefs, erosion control, marine and coastal wildlife, fishing and shelling, waterways and water safety, state laws and regulations. Notable local features head a list of each countys beaches alongside a scaled map of the surrounding county and street maps to the beach sites. Locations of state parks and recreation areas and of national seashores are listed along with park and campsite regulations.
