

The Delinquents

Quantum and Woody are the worlds worst superhero team. Archer & Armstrong are a mismatched pair of conspiracy-busting adventurers. When a mysterious force collides these ill-suited and irresponsible heroes for a cross-country race through the darkest corners of American mythology, all hell is bound to break loose. Can two busted pairs become four of a kind in time to defeat the Hobo King, save the day, and make it back home in time for happy hour? Lets hope so...cause these guys make a really, really bad team. (And you dont even want to know about the goat.) Its an all-new superhero joyride from fan-favorite writers James Asmus (Quantum and Woody) and Fred Van Lente (Archer & Armstrong) and heat-seeking artist Kano (Quantum and Woody, Immortal Iron Fist), colliding Quantum and Woody and Archer & Armstrong for the worlds most disastrous team-up adventure!
