

The Rules of Survival

For Matt and his sisters, life with their cruel, vicious mother is a day-to-day struggle for survival. But then Matt witnesses Murdoch coming to a child's rescue in a convenience store, and for the first time, he feels a glimmer of hope. When, amazingly, Murdoch begins dating Matt's mother, life is suddenly almost good. But the relief lasts only a short time. When Murdoch inevitably breaks up with their mother, Matt knows he needs to take action. But can he call upon his hero? Or will he have to take measures into his own hands? A heart-wrenching portrait of a family in crisis, this is Nancy Werlin's most compulsively readable novel yet.
