

The Wedding Photographers Handbook: a guide to modern wedding photography

The Wedding Photographers Handbook instructs the photographer in all they need to know about getting into the lucrative wedding photography business. The book is designed for two types of photographers: For photographers who are already in the wedding business but may want to get an edge. For photographers who have worked in other fields but may want to start taking wedding pictures. The Wedding Photographers Handbook gives step-by-step instructions on how to book the weddings, what to photograph and how to deliver the end product.
