

Three Junes

An astonishing first novel that traces the lives of a Scottish family over a decade as they confront the joys and longings, fulfillments and betrayals of love in all its guises. In June of 1989 Paul McLeod, a newspaper publisher and recent widower, travels to Greece, where he falls for a young American artist and reflects on the complicated truth about his marriage....Six years later, again in June, Paul's death draws his three grown sons and their families back to their ancestral home. Fenno, the eldest, a wry, introspective gay man, narrates the events of this unforeseen reunion. Far from his straitlaced expatriate life as a bookseller in Greenwich Village, Fenno is stunned by a series of revelations that threaten his carefully crafted defenses.... Four years farther on, in yet another June, a chance meeting on the Long Island shore brings Fenno together with Fern Olitsky, the artist who once captivated his father. Now pregnant, Fern must weigh her guilt about the past against her wishes for the future and decide what family means to her. In prose rich with compassion and wit, *Three Junes* paints a haunting portrait of love's redemptive powers.

I have to say that for about three or four years I was supposed to be working at home as a journalist and an editor and I was sneaking work on this novel. - 2 min - Uploaded by BookTrailers77 This book trailer is for the novel *Three Junes*, the first book by Julia Glass and published in 2002. 18 quotes from *Three Junes*: When it comes to life, we spin our own yarn, and where we end up is really, in fact, where we always intended to be. The traditional novel of social relations is very much alive in *Three Junes*. Virginia Woolf and Elizabeth Bowen, among other exemplars, would Julia Glass admire Shakespeare, Pope, and George Eliot, but she says her desire to write like them is an unrequited craving. Right she is. *Three Junes* more In her debut novel, Julia Glass chronicles the

lives of a Scottish family through three important Junes. This enormously accomplished debut novel is a triptych that spans three summers, across a decade, in the disparate lives of the McLeod family. Three Junes by Julia Glass has an overall rating of Positive based on 6 book reviews. The book -- a triptych whose plot unfolds over the course of three Junes (in 1989, 1995 and 1999) -- enacts that very process as each part Jaws dropped when unknown author Julia Glass beat a field crowded with literary luminaries to win the National Book Award for her debut novel, Three Junes.
