

# Trade Secrets

One rainy night, Gerry Brady discovers a beautiful woman with heartbreaking eyes hiding in his garage. The moment he sees her, he is struck by an involuntary thought he does not understand: I've found you. She is a woman in danger. He does not understand why he feels so powerfully drawn to her, but he feels compelled to help her, even though doing so puts his life and the lives of his friends in jeopardy. Gerry's relationship with Kendra draws him into a conspiracy too horrifying to believe...a conspiracy rooted in his own past. As he falls in love with a woman he doesn't know, he learns more about himself than he ever suspected.

It is hoped that this short note will help the reader better understand (i) what trade secrets are (ii) the value of trade secrets and (iii) how to A trade secret is the legal term for confidential business information. It can include any information that is valuable to its owner and that the latterHow a product is made or ingredients that go into it, even customer lists, can be protected as a trade secret. Source codes for computer programs and theWhat are trade secrets and know how.
