

No Vacancies Vol. 1

The No Vacancies Adventure Series starts here in Volume 1. Using short tales, Lucien Black introduces readers to his episodic on-going series of short tales offering various genres of storytelling including action/adventure, horror, mystery, superhero and fantasy. Volume 1 introduces two episodic adventures; the action packed High Stakes and the supernatural Outcast. Set in an alternate universe, High Stakes follows Jack Ander, a coward forced to confront his own fears and join the resistance against a powerful super villain group known as the Protectorate. Outcast, set in Hudson, NY, introduces readers to Nathaniel, a wanderer with a hidden secret, following the trail of a murderer leaving mutilated bodies in his path. One More Sunday, a standalone adventure, follows Hudsons Detective Sam Arkwright as he attempts to put together the missing pieces of a murder; the victim being one of the citys renowned super heroes, The Protector. Finally in Devotion, Dr. Alastair Cromwell struggles to resurrect his late wife, Annette. Does he succeed in bringing her back from the dead or creating a monster? With No Vacancies, Lucien Black is creating a universe of unique characters facing impossible odds, blending genres of storytelling into action packed tales. So join us as we enter a world with No Vacancies.

of the sign of V, any increase of the vacancy concentration above the maximum . 1. Formation volume of vacancies (full circles) and activation volumes of
